

UNICENT SCHOOL

CBSE (Aff.No. 3630156)

KOMPALLY CAMPUS

**“Quality Education
Happy Schooling”**

Our Vision

- ♥ “Strive to be an educational institute of excellence which nurtures passionate, confident and happy individuals, enabling them to explore innate abilities and be lifelong learners.”

Our Philosophy

- ♥ Unicent believes 'Every Child is Unique' - be it their abilities, learning styles, interests, personality or overall behaviour which:
 - ♥ Gives us a perspective to understand, focus our efforts and address the individual needs of the child.
 - ♥ Helps to create a learning environment that is stress-free, emotionally comfortable and joyful to every child.

Empathy : *Every Unicentian strives :* To make the community around him a better place by finding the echoes of another person within himself.

Team work : *Every Unicentian strives :* To bind together as a single, unconquerable force by building trusts in each other and rallying together success.

Humility : *Every Unicentian strives :* To be principled leaders within by being modest, humble and respectful in valuing every relationship and interaction he is into.

Integrity : *Every Unicentian strives :* To build a righteous personality by imbibing honesty with commitment even under fading circumstances.

Courage : *Every Unicentian strives :* To gain strength and confidence to stand up for self and others under absolute circumstances.

Self Discipline : *Every Unicentian strives :* To put positive patterns of behaviour into structured practice as an everyday habit.

**Unicent school
kompally ranked as
top 3 in North Zone
and Best school for
Futuristic education by
Times of India.**

Message from the Principal

*Warm Greetings and wonderful wishes for a healthy and prospering life to
all our beloved Parents!*

While through the last decade we have seen the world going through social and cultural changes at a pace as never before, now in the post Covid Era, we are on a call to mold ourselves for a different perspective of the way the world is taking shape. Fields like Food, Nutrition, Medicine are gaining in importance and few more avenues and specializations might come in. Old professions may give way to new ones. Technology will continue to crash time, distance impacting the work life and style apart from giving easier access to information and learning.

The Schooling system is taking new dimensions, internalizing newer approaches & methods of teaching thus enriching the learning styles of Children. The 3'S constituents, viz. Strategies-Skills- Scores that should re-define his learning and development are under transformation now.

At Unicent, Learning spaces are so created that children can develop multi-dimensional skill-sets. We aspire to integrate academic excellence with Socio-emotional behavioral skills, so that children grow up with a mind-set of capable and responsible global citizens. The curriculum is well designed and revised from time to time, imbibing the objectives as laid down by NEP, CBSE facilitating a qualitative blend of varied styles of learning which have their roots in EDGAR DALE's Cone of Learning further extending it to meet the needs of Digital Education as one of the major parameters of 21st Century Skills.

AS such, we strongly believe that fructification of our vision is deeply dependent on the symbiotic nature of the Parent-Child-School relationship, and we would like to build and nurture every child's unique development goals catering to his milestones of growth through this relationship.

It gives us immense pleasure to welcome your child into the Unicentian fold, as we look forward for a wonderful and laudable partnering with you in the process of facilitating them to be capable Global Citizens of tomorrow!

Best Regards,

- Mrs C V Rama Devi, Principal

Introduction to the School

The first Unicent School was established in the Year 2009-10 at Miyapur, while Unicent School at Kompally was established in the year, 2012. Currently we have 5 Campuses - UNICENT SCHOOL- Kompally, Kondapur, Miyapur, Nagole and Bachupally.

- ♥ The School is affiliated to CBSE with Affiliation Number 3630156.
- ♥ The medium of instruction and communication is English throughout the school. The School is promoted by KBR Foundation which is backed by leaders from different domain expertise including Education, IT, HR and Finance.
- ♥ Classes available are Nursery to Grade X.
- ♥ Class rooms Equipped with interactive boards.
- ♥ Well set Infra Structure with Playground, Labs, Activity room, Teach next lab, Music, Dance, Art Craft room, Library, Indoor and Outdoor sports facilities etc.

Admission Process

- ♥ An enquiry form is duly filled and submitted to the counselor at the admissions office.
- ♥ Counselor would explain the philosophy of the school and take the parent and child on a tour of the school.
- ♥ The student for whom the admission is being sought is to be registered by filling the application from the counselor.
- ♥ Written assessment for Grade U.K.G to IX Class would be held. An oral interaction will be taken by the Preprimary Coordinator for a pre primary admission.
- ♥ Evaluation of the performance is followed by an interaction of the parents with the Co-coordinators or the Principal to confirm the admission of the Child.
- ♥ Applicants selected for admission should confirm the acceptance of the seat offered within 7 working days by remitting school fee and required documents.
- ♥ An orientation session is conducted for parents in the month of June.
- ♥ Admission process is not complete without the submission of relevant documents.

Please Note the following:

- ♥ **Age:** The class age requirement is 3 years for Nursery and 5 years 6 months for class 1 as on 1st April of the Academic Year.
- ♥ **Classes for which the admissions are Available:** Nursery to Grade IX.

- ♥ Bonafide Certificate /Record Sheet in case of admissions below Grade-II and Transfer Certificate for Grades II-IX.
- ♥ Marks Sheet (class II onwards) from the previous school attended.
- ♥ ID proof of parents.
- ♥ Copy of Aadhaar Card details self attested by both the parents and the pupil.
- ♥ Caste certificate (for special category).

Introduction to the School

- Unicent places strong emphasis on enhancing subject specific skills in core subjects like English, Math, Science, and Social & Arts channelized to be in line with the Competency Based Education Perspective as guided by CBSE and Ministry of Education. We believe in engaging students in studies through academic activities that inspire inquiry, encourage communication & foster co-operation. The assessments system is so framed that they are evaluated in their Interpretative, logical thinking and competency skills as envisaged by CBSE.
- The Co-curricular Activities offered for the children along with the array of activities the child gets exposed through different IHCs and Assemblies we plan enables the parents to easily understand and discover the true potentials and interests of the child thus facilitate their further enhancement.
- School strongly believes in inculcating the right attitude, perspective towards life, society and nurturing them to be responsible individuals as they grow up, for which they get opportunities in the form of Community linked programs, International collaborative activities, Guest sessions, panel interviews, exposure talks, unique role plays so on..
- The objectives of the School are well embedded into the Curriculum which is revised from time to time bearing the future requirements of the society they need to dwell in. The value system of the school identified by the acronym "ETHICS" is imparted to the children in a structured scientific manner. While one of the major aspects of the Mission of the School of nurturing within them the Traditional values along with scientific temper would be visible through its curriculum and activities involved.

Dealing with students with academic challenges.

- ♥ We at Unicent recognize the learning difficulties of the children and we embed special measures in the classroom teaching-learning process, as well as exclusive remedial measures to suit the learning needs of the child.
- ♥ Involvement of special educator with regard to the support needed for students with Academic Challenges.
- ♥ Counseling the students and boosting their morale from time to time personally by the Coordinators, Principal and use external counseling as per the need.
- ♥ Close monitoring of the development of the child through regular interactions with the parent.
- ♥ Special focus will be given to the students lagging in basics pertaining to core subjects like language or math.

Co- Curricular Activities and Work Education at School

To facilitate the development of Creativity, Imagination, Expression, sense of Team spirit, Cooperation and above all their self confidence at the same time developing cultural and aesthetic values among the children- various co curricular activities, Work Education sessions, Exposure trips and Interactive sessions are incorporated into the school curriculum, almanac and celebrations.

- ♥ Vocal Music ♥ Classical Dance/Modern Dance ♥ Karate/Chess/Athletics
- ♥ Yoga ♥ Art and Craft

Work Education classes are conducted for Grades 6-10 in

- ♥ Culinary Skills ♥ Financial education ♥ Travel & Tourism
- ♥ Design thinking ICT ♥ Herbal products ♥ SSI products.

Clubs and Community service programs

- ♥ Eco Club ♥ Literary Club ♥ Innovation Club
- ♥ Students of High School are involved in Club activities, scheduled twice a month.
- ♥ Unicentians are involved in varied community linked programs, to enable them grow up with Empathy and Humility as Socially Responsible Citizens.

Celebrations & Special Assemblies at School

The Celebrations at Unicent are planned and shared with the parents through the Almanac, apart from the Annual Event Celebrations, special assemblies for different days of importance, enrich the creativity, leadership, sportsmanship, out spokenness, team spirit and spontaneity among the children, apart from imbibing cultural values and life skills.

Our Distinct Features

- ♥ **Stem Activity:** To provide better learning experiences to the students and enhance their scientific Temper, Butterfly Fields/Yard stick a STEM Education based program is incorporated in to the system which is utmost enjoyed by the children adding value to their comprehending and analytical skills as early as from Grade 1.
- ♥ **Brainfeed Magazines:** In the context where, kids are seldom engaged with books, are introduced from Grade 4 to 10 is a good source of positive engagement for them, modifying their learning style, which is utmost important to prepare them for a competitive world with an education that is relevant to daily life. The Magazine is also a good tool to help them relate to the world around with suitable topics of their age level.

- ♥ **Vocabulary Enrichment Program:** The focus on Vocabulary Enrichment is another worth to mention feature of Unicent System of Education. Varied opportunities, activities, tasks and competitions are included in the system, in daily and periodic basis for the purpose. This can have an unseen impact on their learning perspective even for the future.
- ♥ **Projects and Presentations:** The term while it could sound common in present day, it takes its place in this column here, due to the intricate process involved in it from the planning level by the teachers. While we strongly believe in providing platforms and contexts for the child to use the RETEACH mode of learning which is most effective as per Edgar Dale's Theory.
- ♥ **Excursions and Exposure Trips** Trips always have inexplicable impact on the minds of young ones that can stay forever. Especially, in the scenario of being groomed in nuclear homes, these trips nurture their social skills along with enhancing their deep knowledge with regard to the topics of interest relevant to the visit. At Unicent these are planned very purposefully interactive and involving. However, outward bound programs are planned only for students above Grade 6 ensuring all the safety and hygiene precautions.

- ♥ **Learning Exchange programme:** unicent school, kompally has tied up with schools abroad for a learning exchange program expanding the global perspective among children.
- ♥ **Sports and Yoga:** Freehand Exercises/ Yoga are essential elements of the Assembly to begin the day at Unicent apart from having dedicated period slots for the same. Now, in Post-Covid Era, nurturing the little minds with a sensitized approach regarding health and Immunity is extremely crucial. Unicent shoulders the Responsibility along with parents in this Mission.

Competitions: THERE are always two things which can withhold the interest of an individual in it- RELEVANCE and CHALLENGE.

For any aspect to be appealing to a human mind, they need to feel it relevant for them or find it challenging/engaging positively. Unicentians get reasonable and worthy opportunities to take part in varied competitions, spreading across varied fields of Academics, Co-curricular, Extra - curricular being the common , adding to them in aspects pertaining to Digital Education, Community Service, Entrepreneur skills as well both through internal and external platforms to compete.

Communications:

- ♥ **Parents Teacher meetings (PTM):** are held regularly at least 4 times through the academic year. In the event of cancellation of any PTM, the teacher calls the parents of specific students with concern for a discussion while others can seek prior appointment to meet on a Saturday.
- ♥ **Diary:** Apart from having important information about the School, Communication by the parents with the School and vice-versa may be done through the School Diary.
- ♥ **Almanac/Academic Calendar:** The Parents would be provided with the School Almanac which presents a quick view of Major Assessments, Holidays, Celebrations, Important Dates and IHCs planned for the year.

- ♥ **Smartphone App:** Parents are given access to our smartphone app which is being used by the school to push all notifications, daily activities and homework.
- ♥ **Facebook:** Parent can access our facebook page through the link <http://www.facebook.com/unicentkompally>
- ♥ **Parent Portal:** Parents are given access to a secure Parent Web Portal which gives them access to the student assessments, attendance, activity photographs, online fee payments etc This can also be accessed through the Mobile App.

Child Health, Safety & Care for the girl child:

Unicentians are encouraged to maintain good health habits through various initiatives like no junk foods, use of non plastic Lunch packs, discussions, guest sessions etc.

Medical checkups will be held twice a Year, with support from neighbouring hospitals.

We take special care to make sure that every child is safe in our hands. The school has been equipped with CCTV cameras. Every bus has a lady helper to attend to the special needs of a girl child.

Regular orientation programmes are conducted in the school for the drivers, helpers and the teachers, which help them to focus on the special needs and safety of every child.

Transport:

School transport is available to all major routes within a radius of 15km. Unicent School buses are all new and well maintained. GPS tracking is available for all our buses and parents can track the location of the bus in real time.

Our drivers and cleaners receive their annual safe driver refresher training from Indian Federation of Road Safety (WWW.IFROS.ORG)
