MESSAGE FROM THE HEADMISTRESS

Dear Parents

Greetings!

“Only as high as I reach can I grow, Only as far as I seek can I go, Only as deep as I look can I see, Only as much as I dream can I be”

- Karen Ravn

Good Wishes to one and all,

The role of a school today is not only to impart knowledge that encompasses the prescribed syllabi but also to envisage the world beyond the classroom.

I believe that the educator is no longer the gatekeeper of all knowledge. Their role has changed to that of a guide, assistant, and enabler of student potential. Our students know that we are here for support and guidance. Nothing empowers students like teaching them how to be a critical thinker in an ever changing world.

The aim behind all our co-curricular and academic activities is not only to enrich knowledge but to provide the environment for young minds to take wings also. The ubiquitous lament for moral bankruptcy and emotional void ends here as we train our pupils in the strong value domain of empathy, persistence, and perseverance.

Weaving dreams into reality, our school has produced students who are versatile, conscientious, and strong in character and I am happy to say that we are accompanied in this journey to greatness by a wonderful team of parents, mentors, and facilitators.

Yours Sincerely

Lakshmi Koduru

Headmistress

My daughter, Avanthika Gujju is studying in class V at Unicent School, Miyapur branch. I wanted to share my honest review of the school.

I really have to appreciate the Unicent Group and Academic Team for always being a step ahead in terms of planning. They don't just plan it- they execute it (Monthly logs). Their standard of education is International. Apart from academics, they ensure every child participates in extra-curricular activities such as Sports, Cultural, Personality Development, Critical Thinking, and many more activities. My favourite was Student elections, which help children to improve their leadership qualities.

I never had to worry about the future of my kid as I feel I have made a great decision in joining my kid in Unicent School. Thank you Unicent family.

We are the parents of Jivika and Vanshika Nunnear. Our elder daughter Jivika joined Unicent school in the year 2018 in UKG class (PP-II). Unicent school is renowned school in Miyapur location and it nurtured the potential and talent of our children. We are really pleased with the way classes are happening. School has instilled self discipline in the children and it focused on giving quality education to the kids. The teacher helped our daughter in understanding concepts in subjects like science & math and also helped in the learning of different languages like English, Hindi & Telugu. Along with curriculum, we are happy with extra-curricular activities like Music, Dance & Taekwondo. After seeing all these things, Vanshika our younger daughter joined Unicent school in 2022 in 1st class. Our daughters improved their communication and studies due to school efforts. Small suggestion to the school is a little more time to be spare for sports activities and revision of syllabus.
