

## UNICENT SCHOOL, NAGOLE

### Norms for Fixation of School Fees

The school fee is fixed in discussions with the SMC [School Management Committee], after considering several factors, such as the guidelines provided by the CBSE and State government, the average pay scales offered in private schools, the need to balance income and expenses of the school on an annual basis, the need for a reserve fund and other similar issues. The latest infrastructure provided at the school also matters much in deciding the quantum of fees.
